# #Snowday deals (and freebies!) if you're out in the cold

EVA KIS

Let it snow!

Much of the city is huddling indoors today, but if you weren't lucky enough to stay home, treat yourself for braving this morning's blizzard.

**5 Napkin Burger:** Social media fans of this sit-down burger chain can show their Snow Day Fry Day post on Facebook or Instagram to get a free order of fries with any main dish.
