

14 Celebrities & the Burgers They're Obsessed With

What would you do if you saw Drake at In-N-Out?!

Lesson learned: always pick up your phone because it might be Bella Hadid calling to order a burger from you. That's what happened to 5 Napkin Burger in New York City, who only found out that they missed the chance to cook for Hadid when she posted on Instagram begging them to pick up their phone. We can't blame her — the burgers have patties that are one-inch tall and packed with extra toppings.
