TODAY'S HOURS

11:30AM - 12:00AM

You “**definitely need five napkins**” to tackle the “**massive**”, “**juicy**” burgers at this “**dependable**” chain where the “**diverse menu**” includes sushi at some locations; the “**comfortable**”, chophouse-inspired digs can get “**jammed**”, but the “**energy**” (and “**decibel level**”) boosts the “**kid-friendly**” factor.
